I think you are correct given how slow field operations have been. Am checking with Jason just in case.

Hi Douglas –

Looks like Doug will be meeting with Newfield and Crescent on 12/1. Anything from UIC program perspective that you think would be important to highlight for Doug? I know Jason mentioned in an email that the area permit mod needs to be finalized, but I don't know how important that is. Otherwise I don't see anything that stands out for UIC on this list. Thanks

Other than the Dewey Burdock meeting, are there any OWP issues/items that we need to prepare Doug for in advance of these meetings?

Let me know early this week so we can decide whether to prepare a briefing paper.
